* **Pre-Pointe & Beginner Pointe** are for dancers who participated in Pre-Pointe last year, or are interested in gaining skills needed for Pointe technique/strength. Signing up for this class DOES NOT guarantee dancers permission to dance on Pointe. Miss Abi will be evaluating dancers as they go through the class for Pointe readiness. **Dancers in Pre-Pointe & Beginner Pointe are REQUIRED to sign up for Middle School Ballet to ensure technical ability.**

** **Poms/Tumbling** (TUES 3rd-5th) & **Jazz/Poms** (THURS 2nd-3rd) will only have ONE recital dance.

*** **High School Ballet** options are distinguished based on Pointe experience. Pointe dancers should register for Wednesday 5:30 Ballet (which will include Pointe class & choreography), and dancers not on Pointe should register for Wednesday 8:00 Ballet. Dancers interested in Pointe but do not have previous experience on Pointe should talk to Miss Caitlyn to figure out appropriate placement.

**** **High School Intermediate Jazz** will appear on Stone Alley for 8th graders, but priority will be given to dancers in 9th-12th grades. 8th graders interested in Int Jazz can contact Miss Caitlyn to determine eligibility. 11th and 12th graders are allowed to sign up for Intermediate and/or Advanced Jazz, depending on dance experience. If you are unsure of what class to sign up for, please contact Miss Caitlyn.
